I do not see how column 13 "Whether vacancy is to be kept open" is to be filled in. Vacancies will in future be filled by the Darwan & will be communicated to the Asst Supdt in charge only by means of the new column—

Wh 26/7

What the Darwan wants is that in submitting proposals for filling up Casual vacancies, the entire current const[n] after Council or Board meeting the vacant place should be shown in one part & the proposals for filling up the vacancy shown in Part II

This will not be achieved by adding a new column to the old form
